

The Unresolved Thyroid Recovery Workshop

70-90% of low thyroid

sufferers have an undiagnosed auto-immune condition that is literally destroying their thyroid!

Your medical doctor often overlooks this problem! And doesn't have corrective treatment to offer.

September 16, 2015

7:00pm-8:30pm

Seating is limited!

Seattle East-West Bookstore

- Learn why taking thyroid medication isn't the long term solution
- Learn why you still feel lousy even when your doctor tells you your labs are "normal"

Kirkland Health Institute

Dr. Taggart, D.C. has been practicing in Kirkland for over 20 yrs. He believes very strongly in the natural ability of the body to heal itself.

He uses standard diagnostic methods, advanced neuro-logical and nutritional based care in conjunction with Applied Kinesiology (muscle testing) to determine causes.

Thyroid Symptoms:

- Weight Gain
- Constipation
- Depression
- Low Sex Drive
- Hair Falling Out
- Excessive Fatigue
